

Membership in the Stiles Family of America

Membership is on a calendar year basis, January through December. Many of you have paid for several years in advance or are lifetime members, **but we welcome contributions in support of our SFA initiatives: scholarship, document preservation, DNA fund (see below). A few others have let their membership expire - your support is important and will give the organization funds to expand our work and support your genealogical research.** If you have any questions about when your membership expires please contact our treasurer, Nancy Little. Her email address is: ncrgenealogy@gmail.com or Phone: 810-691-1012.

All dues are due in January and are good through December of the same year!

Please contact Nancy Little, Treasurer, should you move during the year or your email address changes. Changes of U.S. mail address are your responsibility – USPS forwards for only 4 months.
